

## Parking Options for the TODA Winter Clinic at UH

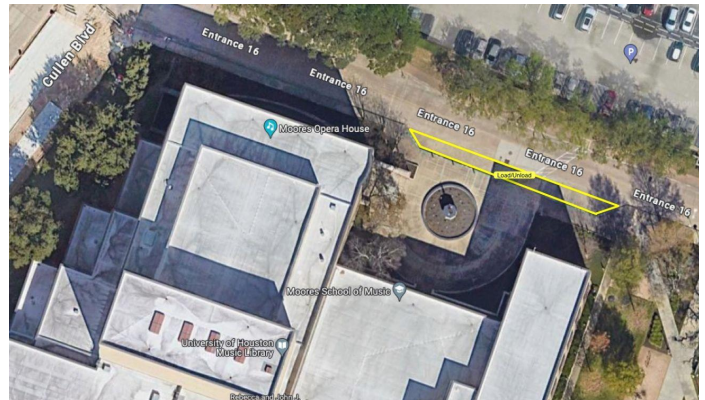

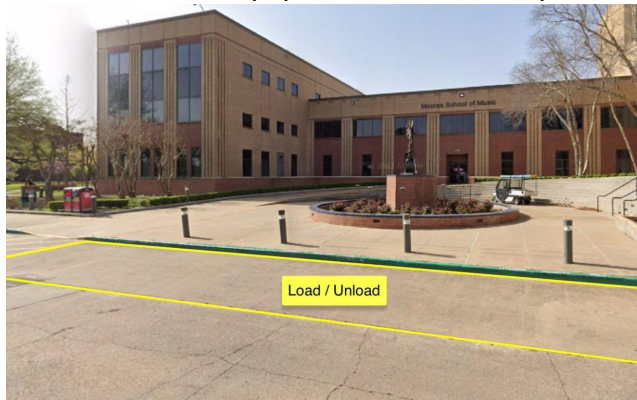

### Elgin Street Garage

4224 Elgin Street, Houston, TX 77204

\$3 flat rate with voucher provided at the Winter Clinic

Clinic participants may unload large instruments in front of the Moors School of Music, before parking in the Elgin Street Garage. There is a load/unload lane in front of the school, on the “Entrance 16” road (see images, below). Students will be there to help with unloading instruments and equipment. Vehicles may not be left unattended!

There is a parking lot, directly across from the School of Music, with some metered parking. However, metered parking is not guaranteed during certain events, at which point visitors may park for a flat \$10 rate. We recommend parking in the Elgin Street Garage, as noted above.
